

SHARING is EARNING

AntMEX offers a complete affiliate program.

The program benefits two entities directly :

1. You (the affiliate) receive a percentage of commission paid by your referrals.
2. Your referrals receive a limited-term fee discounts and other token related benefits.

View the complete terms and conditions.

Referred User Benefits

Users who signed up with a valid affiliate link will receive 60% tokens instead of 50% tokens for the one who signs up directly in fees rebate for first 6 months.

Fee structure may be different for Contracts, the rebate apply on all spot and swap contracts. See fees page to view the fees structure for different Contracts.

Affiliate Payouts

Affiliate receive a percentage of total commission paid by the people/Clients/Users

they have referred, paid in BTC & ANT in their AntMEX wallets. Each referral generates affiliate commission for the lifetime of the account. The percentage of commission depends on sum of all referral turnover calculated in USD equivalents.

Once referred to the site, if a user completes registration within 30 days, the affiliate receives the credit for the account.

Affiliate Payout Structure

An affiliate receives 100 ANT for every referral who earns 1,000 ANT through trading.

The commission paid by referral will be paid out in BTC as per following USD turnover and ANT holdings.

Payout percentage is percentage of commission paid by all the referrals. The (\$) value of payouts is indicative approximate value.

The calculation is for spot and swap contract fees of 0.1%

Volume (in \$)	Payout (%) (Without ANT)	Payout (\$) (without ANT)	ANT Holding by affiliate	Payout (%) (with token)	Payout (\$) (with token)
